PREMIUM LEATHER CHOICES

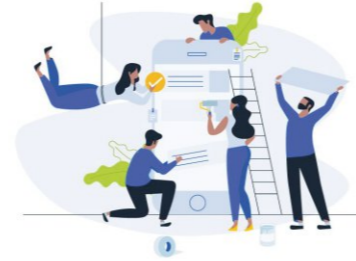

Founded in 1962, our company has established itself as a distinguished manufacturer of small leather goods and fashion accessories. As a proud member of a larger conglomerate that serves various industries including Safety Workwear garments, Safety Shoes, Pet Treats, and Agro-foods, we carry forward a legacy of excellence and trust.

Our journey began over six decades ago with a vision to craft leather products that blend traditional Indian artisanship with contemporary design. Today, we stand as a testament to enduring quality and innovation, catering to a discerning clientele that values both aesthetics and functionality.

We are more than just a brand; we are a symbol of commitment and reliability. Our products are a reflection of our dedication to superior craftsmanship, which is why we adhere to the highest standards of production. We take pride in our certifications and compliances, including BSCI, Sedex Smeta, ISO 9001, HACCP, Oekotex, and more, ensuring that every piece we create meets global benchmarks for quality, safety, and sustainability. We cater to many global brands like Pepe Jeans, Metro, McDonald's and OTTO to name a few that are testament to our services.

In our pursuit of excellence, we remain steadfast in our values, upholding ethical practices and environmental stewardship. We believe that luxury and responsibility can coexist, and through our efforts, we aim to make a positive impact on society and the planet.

Join us as we continue to evolve, innovate, and inspire, one stitch at a time.

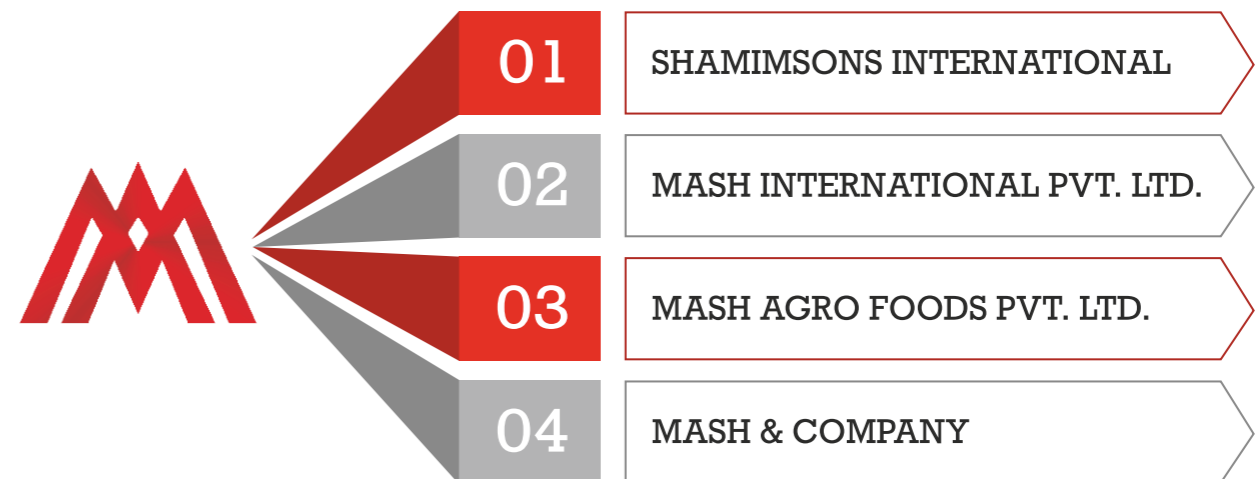

VISION AND MISSION

VISION STATEMENT: "To be the premier artisan of leather goods and fashion accessories, enriching lives with timeless elegance, superior craftsmanship, and innovative designs that embody sustainability and luxury."

MISSION STATEMENT: "Our Mission is to create exceptional leather goods and fashion accessories that offer a blend of traditional artistry and modern style. We are committed to sourcing the finest materials, fostering ethical production practices, and delivering unparalleled quality that exceeds our customers' expectations while honoring our responsibility to the environment and our community."
